

# DHM!

You can protect yourself and others by following the DHM rules in vaccination centers.

Maintain your **distance** from others, follow proper **hygiene rules**, and wear a **mask!**

Vaccination centers are sufficiently ventilated.

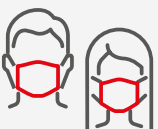

Please maintain a **distance of 1.5 meters** from others.

**Please follow hygiene rules.**

Disinfection stations are available in every hallway.

The **obligation to wear a mask** is in effect on vaccination center premises.

**THANK YOU!**

**izu** Impfzentrum  
Ulm

The vaccination center in Ulm is an effort of the state of Baden-Württemberg in collaboration with the German Red Cross.

The vaccination center is located on the Ulm Messe grounds in the Friedrichsau. There are sufficient designated parking places on site – for cars and for bikes.

**Ulm Messe, Messehalle 6 und 7,  
Böfinger Straße 50, 89073 Ulm**

The vaccination center and parking spaces are clearly signposted; please follow the signs.

You can also reach the Ulm Messe with **tram line 1**.

# Welcome!

last updated: 07 | 2021

# THANK YOU

## for choosing to vaccinate yourself!

With this decision you are not only protecting yourself and others around you, but also helping to bring the pandemic under control.

### IMPORTANT!

**In order to avoid wait times,** we ask that you arrive **5 minutes** before your appointment and check in at the vaccination center entrance at this time. If you arrive earlier, please wait in your car.

Please have your registration code, ID card, health insurance card and vaccination passport (if available) at the ready.

- ✓ Registration code
- ✓ ID card
- ✓ Health insurance card
- ✓ Vaccination passport

**Beginning on 7 June 2021**, all persons 12 years of age and older are eligible to book a vaccination appointment regardless of age, preexisting conditions or occupation. No further certificates or documents are necessary to prove eligibility.

**All vaccinated persons will receive a vaccination certificate in hard copy (including a QR code).**

# 5 STEPS

## Vaccination in 5 easy steps.

A number of steps are required to complete the vaccination process successfully. Please plan to spend one hour at the vaccination center for your first vaccination! Your second vaccination appointment should take slightly less time.

### 1

#### Registration

**We're glad you're here!**  
**Please register at the »check-in«** station. Have your documents at the ready.

### 2

#### Informative film about the Corona vaccination

In the waiting area, you can watch an informative film before your medical consultation. The film offers many important pieces of information.

### 3

#### Medical consultation

Clarify your remaining questions and concerns about the Corona vaccination in consultation with a doctor. Feel free to ask your questions in English!

### 4

#### Vaccination

##### It's time!

You will be vaccinated by trained specialists. Directly afterwards, you will receive a EU-COVID-19 vaccination certificate in hard copy (including a QR code).

### 5

#### Observation

After your vaccination, you will spend a short amount of time in a waiting area under medical supervision.

#### Congratulations!

You have successfully received the first Corona vaccination!

**Please note that you need to receive the second vaccination in order to reach full protection.**

Please bring your vaccination passport or certificate to your second appointment.

**THANK YOU.**
